2. Attention is drawn to the following rules :—

(1) No candidate will be allowed to enter the examination room unless he wears a clean and decent dress, and, in all cases where good manners require it, a suitable covering for the head, nor will he be allowed to keep his shoes on unless they are shoes of English pattern, and socks and trousers are worn also.

No candidate suffering from any contagious disease will be admitted to the examination room.

(2) No candidate will be allowed to quit the examination room on any day until the expiration of half an hour from the time fixed for the commencement of the examination, and candidates arriving after the expiration of that half hour will not be admitted.

(3) No candidate will be allowed to re-enter the examination room during the hours of examination after once quitting it, nor to leave the room without finally giving up his answer papers.

(4) Any candidate detected in speaking to, or in any way communicating with, any other candidate will be at once removed from the room, and the circumstances reported to the Commissioner.

(5) Any candidate suspected of having had recourse to malpractice of any kind is liable to have his examination invalidated and also to be debarred from appearing again for any of the examinations under the control of the Commissioner for such term of years as the Commissioner may think fit; or, *if the Commissioner is not satisfied as to the trustworthiness of his results*, he may be required to undergo a re-examination in any one or more of the subjects of the examination for which he appeared.

(6) *No candidate will, on any account, be allowed to take into the examination room slates, books, manuscripts or papers of any kind.* In the case of candidates, however, coming up for the Civil and Criminal Judicial and Revenue Tests, the use of books will be allowed in answering certain question papers. Any one detected in the violation of this rule, or having recourse to any unfair practices, will be removed from the room, and the occurrence reported to the Commissioner.

(7) Candidates whose names are not in the printed list furnished to the Superintendents must submit a written declaration through the Superintendents, giving full particulars in regard to themselves and furnish such evidence as may be possible of their having applied for admission to the examination at the proper time and paid the prescribed fees. The answer papers of such candidates will not be valued unless it is clear that the omission of their names is due to no fault of theirs.

(8) Candidates choosing to change their place of examination without previous permission, or appearing at any centre other than the one at which they ought to have appeared according to the notice published in the Gazette, must not expect to have their papers valued or their results published. In all cases where permission has been granted, the memorandum or letter permitting the change should be produced for the satisfaction of the Superintendents.

(9) A candidate having completed his paper will rise from his seat and remain standing until the Superintendent takes his answer papers. Any candidate wishing to ask any question of the Superintendent will pursue the same course, but will on no account leave his place.

(10) Any papers sent up without the candidate's name and number affixed will not be valued.

(11) Candidates will not be allowed to take any papers, except their question papers, out of the examination room.

(12) Candidates are forbidden to tear up papers or to throw ink or papers on the floor. All "spoilt copies, etc.," should be left on the desk where the candidate has been writing.

AUDIT ORDER BY THE REGISTRAR OF CO-OPERATIVE CREDIT SOCIETIES, CHEPAUK, MADRAS, DATED 24TH JULY 1910.

The accounts of the Madras Central Urban Bank, Limited, for the year ending 30th June 1910 have been audited in detail by the Special Deputy Collector. He has furnished the usual three statements: (*a*) Receipts and Disbursements in the year, (*b*) Profit and Loss account for the year, (*c*) Balance Sheet on 30th June 1910.

2. During the year the Bank floated additional shares 500 in number of the nominal value of Rs. 100 each, though these shares were offered to the public at an initial premium of 10 per cent., they were covered in less than a month more than twice over by the applications received. No stronger testimony is needed to attest to the reputation of the Bank. The Board of Management have resolved to credit to reserve the entire sum of Rs. 5,000 thus received as premium.

3 In addition to this sum, the Bank earned during the year Rs 14,078-11-10 as net profits. One-fourth thereof, viz., Rs. 3,517-11-0, should be carried over to the credit of reserve. This, together with the reserve of Rs 2,330-5-0, already accumulated, will raise the Bank's reserve to Rs. 10,848. The Bank is requested to invest this total amount in any of the methods approved of by the Registrar. One-eighth of the net profits, Rs. 1,758-13-5, should be paid to the Secretary or Assistant Secretary as the Board might direct. The balance, Rs. 6,794-3-4, is available for distribution as dividends or otherwise according to the discretion of the Bank.

4. During the year under report the Bank has continued to develop as before and easily met all demands though the Registrar knows the demands in the year were very heavy. Its position is now well assured and its prestige so well established that it is superfluous for the Registrar to pass any encomium on the management. The Board of Management, and especially the Secretary, Sir V. C. Desika Charriar, *Kt.*, deserve congratulations and thanks for the continued efficient and sympathetic and educative administration of the affairs of the Bank.

5. The establishment charges for the whole year amounted to Rs. 484-14-6 This shows how economically the Bank is worked and what a deal of personal trouble the Secretary is taking. The Registrar cannot help noting that the establishment is overworked and requires considerable strengthening.

6. One special feature of the figures is the very low amount of penalties levied during the year. The total amount is only Rs. 50-3-0, which is very small. This happy result is mainly due to the excellent system of issuing timely reminders and the thorough businesslike management of the Central Bank, for which the Registrar tenders his best thanks
